## **STALLION CONTRACT FOR TRANSPORTED SEMEN DELIVERY**

### **PLEASE READ CAREFULLY – THIS IS A LEGALLY BINDING CONTRACT**

I hereby confirm my reservation to the stallion (circle one): **FERON (\$850)** **RUMPLE MINZE (\$650)**  
**A TEAM EFFORT (\$750)** **DELUX BLACK TUX (\$650)** for the year \_\_\_\_\_.

I understand and accept the following terms:

A veterinary certificate and current uterine culture showing the mare to be in sound breeding condition and free of infection is recommended. All fees due the stallion owner must be paid before the delivery of the live semen. **A nonrefundable fee of \$250.00 (collection fee, container fee and shipping fee)** is also due before the delivery. I UNDERSTAND THAT MY MARE MUST BE EXAMINED BY A LICENSED VETERINARIAN BETWEEN 14 AND 30 DAYS AFTER THE LAST DAY BRED AND THE STALLION OWNER AND / OR MANAGER NOTIFIED OF HER PREGNANCY STATUS AT THAT TIME OR ALL LIVE FOAL GUARANTEES ARE NULL AND VOID. I UNDERSTAND THAT MY MARE SHOULD ALSO BE REEXAMINED BY A LICENSED VETERINARIAN BETWEEN 60 AND 90 DAYS AFTER THE LAST DAY BRED.

1. A non-refundable booking fee of \$250.00 must be returned with this contract. This is to cover shipping, container, and collection fee. This is part of the total stud fee. An additional \$250.00 will be due for any extra semen shipments.
2. The remainder of the total stud fee must be paid to Blue Moon Farm before any semen will be shipped; or mares bred.
3. The stallion owner assumes responsibility only to deliver fresh cooled semen or frozen semen in viable condition at time of delivery to the mare owners' farm. Fresh and frozen semen must be administered by a licensed veterinarian on the day of delivery or the stallion owner shall be considered to have fulfilled the contract obligations and any guarantees in clauses # 5 and #6 shall consequently not apply.
4. Semen must be called for at the number shown above. Please try to give us as much notice as possible, but at least 24 hours. Priority will be given to clients who give us the most notice. The first semen collection is included with the paid stud fee. There is an additional charge of \$250.00

per each additional collection. This contract guarantees a return privilege for the same mare if the mare is examined by a licensed veterinarian and found to be barren at 14- 60 days from the date of fresh semen service. If after three breedings the mare does not conceive, the mare owner may substitute another mare.

5. Should the mare not produce a live foal that stands and sucks, the mare owner shall also be entitled to a return breeding. This guarantee shall apply only if the stallion owner is notified in writing within 48 hours of the foals' death. A statement of details by a licensed veterinarian must follow within 10 days or the guarantee becomes null and void.
6. The mare owner shall assume all responsibility for the condition of the mare and shall be at all risk of damage to the mare whether by death, disease, injury, infection or otherwise, and by any cause whatsoever therefore agrees to hold the stallion owner and/or agent (or any person's employed by or associated with the stallion owner and/or agent) harmless for any and all damages associated therewith.
7. This contract shall not be assigned or transferred without express agreement from the stallion owner and/or manager.
8. It is agreed that should the said stallion die, be sold by the owner or become unfit for service before fulfilling this contract, or if mare(s) named in this contract dies or becomes unfit to be bred, before being inseminated, then this contract shall be terminated. In the event of the death of the stallion, frozen semen will replace fresh semen when available, or the breeding may be transferred to another stallion owned or standing at Blue Moon Farm (at the discretion of the stallion's owner).
